

# FLANGE-MOUNTED WORM REDUCER SERIES

## 法蘭式蝸輪減速機系列

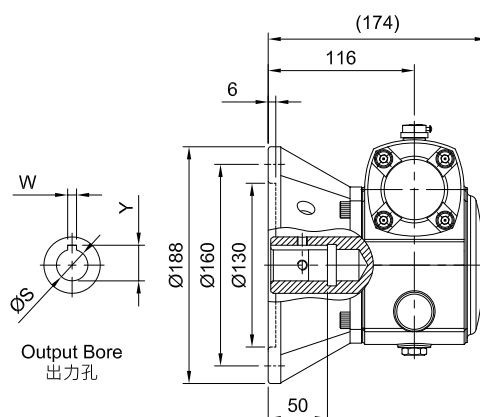

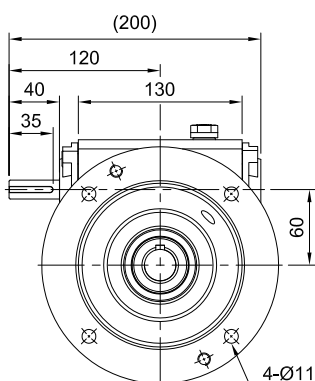

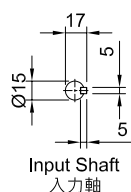

### MODEL : AG50

unit: mm

| 型號<br>Model | 馬力<br>HP<br>(4P) | 出力孔<br>Output Bore |   |      | 重量<br>Weight<br>(kg) | 油量<br>Oil<br>(ℓ) |
|-------------|------------------|--------------------|---|------|----------------------|------------------|
|             |                  | S                  | W | Y    |                      |                  |
| 50          | 1/4              | 25                 | 7 | 28.3 | 6.2                  | 0.35             |

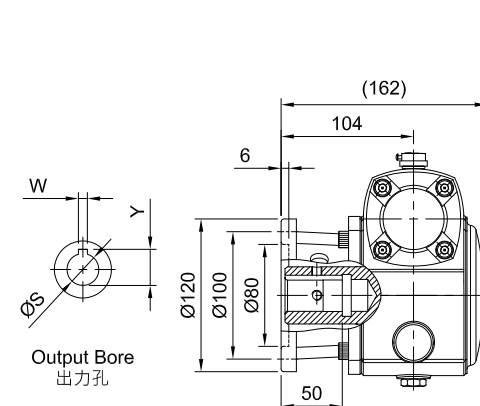

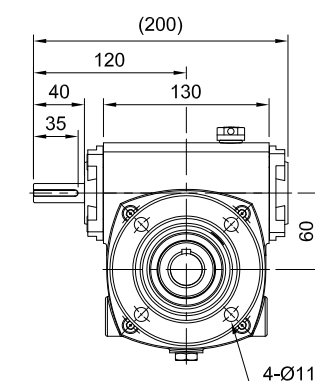

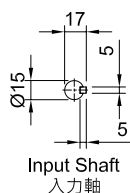

### MODEL : AG60

unit: mm

| 型號<br>Model | 馬力<br>HP<br>(4P) | 出力孔<br>Output Bore |   |      | 重量<br>Weight<br>(kg) | 油量<br>Oil<br>(ℓ) |
|-------------|------------------|--------------------|---|------|----------------------|------------------|
|             |                  | S                  | W | Y    |                      |                  |
| 60          | 1/2              | 25                 | 7 | 28.3 | 10.4                 | 0.45             |
|             |                  | 28                 | 7 | 31.3 |                      |                  |
|             |                  | 30                 | 8 | 33.3 |                      |                  |

### MODEL : BG60

unit: mm

| 型號<br>Model | 馬力<br>HP<br>(4P) | 出力孔<br>Output Bore |   |      | 重量<br>Weight<br>(kg) | 油量<br>Oil<br>(ℓ) |
|-------------|------------------|--------------------|---|------|----------------------|------------------|
|             |                  | S                  | W | Y    |                      |                  |
| 60          | 1/2              | 25                 | 7 | 28.3 | 9.65                 | 0.45             |
|             |                  | 28                 | 7 | 31.3 |                      |                  |

◆ 重量不含馬達及潤滑油。

The weight does not include motor and lubricant.
